MUCH INTEREST IN DEPARTMENTS FOR WOMEN

Fine Arts and Domestic
Science Section of State Fair
Exhibits Creating Lively
Interest this Year.The fine arts and domestic science
departments of the state fair will be
located in the Santa Fe building at
the fair grounds this year and prepa-
rations are being made to take care
of the largest exhibit of its kind that
has ever been displayed at a state
fair.In addition to the amount offered
by the fair association a number of
banks of the state are offering cash
premiums and this will be still aug-
mented by a number of very valuable
special premiums offered by manu-
facturers and retailers.Already a number of needle clubs
have written for information and the
indications are that there will be a
large number of entrances from out-
side the city, in fact the department
has been assured by two of the lar-
gest needle clubs of the state that they
will have exhibits at the fair, and
others have written for information
and entrance blanks.Mrs. J. H. Toulouse, who has
charge of the department, has had
the good fortune of securing Miss
Ruth Bright, who has charge of the
domestic science department of the
Albuquerque public schools, as as-
sistant superintendent, and Miss
Bright will be in charge of the do-
mestic science department at the state
fair. Some good premiums, both in
cash and special premiums, are to be
offered in the culinary department
and this in addition to special pre-
miums to girls under sixteen will make
this department a very interesting
and successful one.Entrance blanks and all other in-
formation desired may be had by
writing to the secretary to Mrs.
J. H. Toulouse, superintendent fine
arts, Albuquerque.

NEW ORDINANCE ON EXCAVATIONS PREPARED

City Engineer James N. Gladding
has prepared an ordinance as a sub-
stitute for the present one govern-
ing excavations in unpaved streets,
which meets objections made to the
latter by the plumbers of the city.
The present ordinance demands a
deposit of \$10 for each excavation,
to which the plumbers object. The
proposed ordinance, which was drawn
after conference with the plumbers,
provides for a fee of \$1 for each ex-
cavation instead of a deposit of \$10,
and workmen making the excavation
will have to fill it. A general bond
will guarantee proper repair of torn
streets.The ordinance has been turned
over to Councilman Skinner, chair-
man of the ordinance committee,
who will probably introduce it at the
next meeting.

WELLS EXPECTED TO BE SHOT AT SUNRISE

Clarence Wells, the negro who
stole hundreds of feet of garden hose
in the southern part of the city, is
happy over the 30-day sentence im-
posed on him by Judge Craig. He
thanked the magistrate earnestly af-
ter sentence was passed last evening,
and when the court asked him why
he said he had expected to be ex-
ecuted.He appeared to be in earnest. Re-
fusing his hearing he asked Chief
of Police McMillin for some cake, be-
cause, he said, it was to be his last
day on earth. He was still thanking
the judge and voicing halilelujahs as
Officer Pablo Lujan led him back to
his cell.The police believe they have re-
covered all the hose Wells stole.
There are several sections at head-
quarters not yet claimed by owners.

HEARD IN ALBUQUERQUE

How Bad Backs Have Been Made

Strong—Kidney Pills Corrected.

All over Albuquerque you hear it,
Doan's Kidney Pills are keeping up
the good work. Albuquerque people
are telling about it—telling of bad
backs made sound again. You can
believe the testimony of your own
people. They tell it for the
benefit of those who are suffering.If your back aches, if you feel lame,
sore and miserable, if the kidneys act
too frequently, or passages are pain-
ful, scanty and off color, use Doan's
Kidney Pills, the remedy that has
helped so many of your friends and
neighbors. Follow this Albuquerque
citizen's advice and give Doan's a
chance to do the same for you.Mrs. Thomas Blakemore, 214 S.
Arno St., Albuquerque, says: "I
knew I needed a kidney medicine as
my back ached and I had other kid-
ney ailments. I used one box of
Doan's Kidney Pills and have never
needed any kidney medicine since.
My relatives have also used Doan's
Kidney Pills with the most satisfac-
tory results."Mrs. Blakemore is only one of
many Albuquerque people who have
gratefully endorsed Doan's Kidney
Pills. If your back aches—if your
kidneys bother you, don't simply ask
for a kidney remedy—ask distinctly
for Doan's Kidney Pills, the same
that Mrs. Blakemore had—th-

ey lacked by home testimo-
